15 August 2007

Dear Professor Ivashchenko

The Centre for Computational Fluid Dynamics at the University of Leeds sends its congratulations and best wishes to you and all your colleagues on the occasion of the 100th Anniversary of the Department of Internal Combustion Engines and the 177th Anniversary of the Baumann Moscow Technical University.

At Leeds we are fully aware of your excellent CFD research work on Internal Combustion Engines and we would hope to work with this group in the near future.

For your information, our web site is <http://www.engineering.leeds.ac.uk/cfd/>

Yours sincerely
